### What We Say

UniSuper is an industry fund established for those working in the Australian higher education and research sector and their families. The fund was the winner of the 2021 MySuper of the Year award and was nominated as a finalist for the 2021 MyChoice Super of the Year and the 2021 Net Benefit awards.

UniSuper offers a range of 16 investment options to choose from, providing members with access to 7 Pre-Mixed and 9 Single Sector options. The Balanced option has provided strong investment returns to members, outperforming the SuperRatings Index over each time period assessed to 30 June 2020.

Fees are competitive and lower than the industry average across all account balances assessed. The first investment switch each financial year is free of charge, with a fee charged for subsequent switches.

A full suite of insurance cover is offered, with Death and Total & Permanent Disablement (TPD) insurance cover automatically provided to eligible members upon joining the fund. Income Protection (IP) with a benefit period of 2 years, 5 years or to age 65, covering up to 85% of salary, is available following a 30, 60- or 90-day waiting period. Members have the ability to increase their default Death & TPD cover or apply for IP cover within 180 days of being first eligible to join the fund, without having to provide any medical evidence.

UniSuper provides members with access to a range of online fact sheets, calculators, educational videos and on-demand webcasts and podcasts. The fund's Member Online further allows members to view and update account details, as well as perform transactions.
