

SuperRatings Assessment

UniSuper is an industry fund established for those working in the Australian higher education and research sector and their families, with membership now open to the general public. The Personal account was established in 2017 to cater to members who are related to a UniSuper member, former UniSuper members and members working in an honorary or affiliate role within a university. The fund was nominated as a finalist for the 2025 MyChoice Super of the Year, the 2025 Sustainable Fund of the Year, 2025 Best Digital Offering, 2025 Advice Offering and the 2025 Choice Insurance Offering awards.

UniSuper offers a range of 16 investment options to choose from, providing members with access to 7 Pre-Mixed and 9 Single Sector options. The Balanced (MySuper) option outperformed the relevant SuperRatings Index over all assessed time periods to 30 June 2024.

Fees are competitive and lower than the industry average across all account balances assessed. The fund does not charge a switching fee or a buy-sell spread.

A full suite of insurance cover is offered, with Death and Total & Permanent Disablement (TPD) insurance cover available to eligible members by election upon application to join the fund. Income Protection (IP) with a benefit period of 2 years, 5 years or to age 65, covering up to 85% of salary, is available following a 30, 60- or 90-day waiting period.

UniSuper provides members with access to a range of online fact sheets, calculators, on-demand webcasts and podcasts, as well as a suite of medical and wellness services, 360Health, at no additional cost. The fund's Member Online further allows members to view and update account details, as well as perform transactions, with a mobile app also available.

A "best value for money" superannuation fund. Well balanced across all key assessment criteria in a robust, secure and proven risk framework. The fund provides features that should assist most individuals to meet their retirement savings goals.
