

Change of bank account details – pension members

Save time, go online!

If you're a Flexi Pension or Term Allocated Pension member, the quickest way to change your bank account details and other personal details is by logging in to your account at unisuper.com.au.

You'll need to attach your certified ID to this form so we can update your bank account details. We can't accept your ID electronically (even if you've previously provided this online). Details about which documents can be accepted can be found in the *Your guide to proof of identity* fact sheet.
