Your guide to proof of identity

We take looking after your retirement savings very seriously—which is why you need to prove your identity (ID) before making withdrawals or other important changes to your account.

Verify your identity online

Proving your identity online is quick and easy—you'll know as soon as your identity gets verified. Log in at unisuper.com.au/memberonline to get started. Only Australian residents with Australian documents currently living in Australia can verify their identity through MemberOnline.

You'll need one or more of the following valid documents:

- Australian passport
- Australian visa
- Australian citizenship certificate
- Australian birth certificate
- Australian driver's licence
- Medicare card
- Centrelink card
- State and Federal electoral roll details.

Make sure you've updated your current personal details with relevant government agencies before you begin the process of verifying your identity online. We use online government and public databases to securely verify your identity.

Or send us certified copies of your ID

You can also send us certified copies of your ID. The following guide explains the types of documents we can accept and how to ensure they're correctly certified.

ALLOW US TO VERIFY YOUR IDENTITY

In some cases and on some of our forms, we can verify your identity on your behalf if the document(s) you provide haven't been certified correctly or can't be read. All you need to do is give us consent by ticking the box on the applicable form—and we'll try to verify your identity electronically using those documents. We'll let you know if the process wasn't successful.

Why provide your TFN?

Giving us your tax file number (TFN) means we can process rollover and transfer requests to another super fund without additional proof of identity. If your TFN can't be validated, or you want to transfer to a self-managed super fund or organise a benefit payment, you'll still need to give us certified copies of your ID.

Visit unisuper.com.au/memberonline to provide your TFN online.

STEP 1: COLLECT ACCEPTABLE DOCUMENTS

We'll accept either one document from List A or two documents from List B.

LIST A

A CERTIFIED COPY OF A:

- current driver licence
- current passport (Australian passports that haven't expired more than two years ago are also acceptable)

LIST B

A CERTIFIED COPY OF A:

- birth certificate or birth extract
- Australian citizenship certificate
- a pension card issued by Centrelink that entitles the person to financial benefits.

AND:

- Notice of Assessment from the Australian Taxation Office (less than 12 months old) containing your name and residential address
- letter from Centrelink regarding a government assistance payment
- rates notice from local council (less than 12 months old) containing your name and residential address
- electricity, gas or water bill dated within the past three months that contains your name and residential address.

STEP 2: CERTIFY YOUR DOCUMENTS

Take your original document(s) and a clear photocopy of both sides of the original document to an authorised person.

Your ID must be properly certified

The authorised person will need to:

1. sight the original document, and the copy, to ensure both documents are identical, and
2. write or stamp 'this is a true and correct copy of the original document I have sighted' or 'certified true copy', followed by their:
 - signature
 - printed name
 - qualification (e.g. Magistrate), and
 - date.

If you've changed your name or are signing on behalf of another member, prove the 'link' between you and the name change, or other person—use a certified copy of one of the following documents as well as your other certified ID.

PURPOSE	SUITABLE LINKING DOCUMENT
Change of name	→ Marriage certificate → Deed poll or change of name certificate from the Registry of Births, Deaths and Marriages
Signing on behalf of another member	→ Power of Attorney → Guardianship papers

When having your documents certified, remember:

- All pages must be certified.
- The copy of the document must be certified—not on a separate page attached to the document.
- Certified copies of your documents must have an original signature.
- Faxed or emailed copies won't be accepted.
- Documents not written in English must be accompanied by an English translation prepared by an accredited translator.
- Documents certified more than a year ago won't be accepted.
