

Changing your default options

Accumulation 1 - form

You can update some of these options by logging into your account—it's quick and easy. If you'd prefer to use this form, please return it directly to UniSuper (not your employer).

WHO SHOULD USE THIS FORM?

If you're a new UniSuper Accumulation 1 member and you'd like to change your account's default settings, you can use this form to:

- provide us with your tax file number (TFN)
- choose how to invest existing and future contributions to your account
- opt out of automatically receiving default Death (including Terminal Illness) and/or Total and Permanent Disablement (TPD) cover in the future
- apply for Death and/or TPD cover without providing health evidence
- convert unithised Death and/or TPD cover to fixed cover
- apply for Income Protection cover without providing health evidence
- nominate non-binding beneficiaries.

Your employer will set your account up for you. We'll send you welcome information with your membership details once your account has been opened.

BEFORE COMPLETING THIS FORM

Read the PDS and information documents that form part of the PDS to ensure you understand the benefits and risks associated with membership, as well as your options as a UniSuper member.

There are important insurance considerations for your account. The *Insurance in your super* document outlines these.

If you have joined the Accumulation 1 product from a successor fund transfer, refer to the PDS and documents provided to you as part of the transfer.

TRANSFERRING SUPER FROM ANOTHER FUND

Once your account has been opened, you can transfer super from other super funds into your account by logging in at unisuper.com.au. It's quick and easy. Or, you can complete the *Combine my super (full rollover)* form available on our website. If you want to transfer your insurance to UniSuper, your cover with the other fund needs to still be in place on the day you apply. To ensure that you still have cover if your application to transfer insurance is not successful, you should wait until you know the outcome of your application before closing your other account. You can apply to transfer your insurance to UniSuper within your online account or you can complete the *Transfer of insurance cover* form.

UNDERSTANDING THE RISKS

You should understand the risks and other implications of selecting your investment options. Read the *How we invest your money* and *How super works* documents before completing this form. We recommend you consult a qualified financial adviser before making any investment decisions.

If you don't select the box, we'll switch your existing account balance over to the investment option(s) you've chosen in SECTION 3. Refer to the *How we invest your money* document for when switches are effective.

SECTION 4 INSURANCE COVER

- Flexible insurance cover options are available to protect you and your family. You should read the important information about the insurance available in your super before making a decision. Go to [unisuper.com.au/pds](https://www.unisuper.com.au/pds) and download the *Insurance in your super* document.
- You may like to speak to a qualified financial adviser if you'd like help.
- Care must be taken to answer all questions we ask as part of your insurance application honestly and accurately. Otherwise, you may not be able to rely on your insurance when it's needed the most.

INFORMATION FROM THE INSURER (METLIFE) - THE DUTY TO TAKE REASONABLE CARE NOT TO MAKE A MISREPRESENTATION

When you apply for life insurance, we will ask you a number of questions. Our questions will be clear and specific. They will be about things such as your health and medical history, occupation, income, lifestyle, pastimes, and other insurance. The answers given in response to our questions are very important. We use them to decide if we can provide cover to you and, if we can, the terms of the cover and the premium we will charge.

The duty to take reasonable care

When applying for insurance, there is a duty to take reasonable care not to make a misrepresentation.

A misrepresentation could be made if an answer is given that is false, only partially true, or that does not fairly reflect the truth. This means when answering our questions, you should respond fully, honestly and accurately.

The duty to take reasonable care not to make a misrepresentation applies any time you answer our questions as part of an initial application for insurance, an application to extend or make changes to existing insurance, or an application to reinstate insurance.

You are responsible for all answers given, even if someone assists you with your application.

We may later investigate the answers given in your application, including at the time of a claim.

Consequences of not complying with the duty

If there is a failure to comply with the duty to take reasonable care not to make a misrepresentation, it can have serious consequences for your insurance, such as those explained below:

Potential consequences	Additional explanation	Impact on claims
Your cover being voided	This means your cover will be treated as if it never existed	Any claim that has been made will not be payable
The amount of your cover being changed	Your cover level could be reduced	If a claim has been made, a lower benefit may be payable
The terms of your cover being changed	We could, for example, add an exclusion to your cover meaning claims for certain events will not be payable	If a claim has been made for an event that is now excluded, it will not be payable

If we believe there has been a breach of the duty to take reasonable care not to make a misrepresentation, we will let you know our reasons and the information we rely on and give you an opportunity to provide an explanation.

In determining if there has been a breach of the duty, we will consider all relevant circumstances.

The rights we have if there has been a failure to comply with the duty will depend on factors such as what we would have done had a misrepresentation not been made during your application process and whether or not the misrepresentation was fraudulently made.

If we decide to take some action on your cover, we will advise you of our decision and the process to have this reviewed or make a complaint if you disagree with our decision.

Guidance for answering our questions

When answering our questions, please:

- Think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask us before you respond.
- Answer every question that we ask you.
- Don't assume that we will contact your doctor for any medical information.
- Answer truthfully, accurately and completely. If you're unsure about whether you should include information, please include it or check with us.
- Review your application carefully. If someone else helped prepare your application (for example, your adviser), please check every answer (and make corrections if needed) before the application is submitted.

SECTION 4 CONTINUED

Other important information

Your application for cover will be treated as if you're applying for an individual 'consumer insurance contract'. For this reason, the duty to take reasonable care not to make a misrepresentation applies.

Before your cover starts, we may ask about any changes that mean you would now answer our questions differently. As any changes might require further assessment or investigation, it could save time if you let us know about any changes when they happen.

If after the cover starts, you think you may not have met your duty, please contact us immediately and we'll let you know whether it has any impact on the cover.

It's important that you understand this information and the questions we ask, so if you have any queries please contact us on [1800 331 685](tel:1800331685).

Which type of beneficiary nomination is right for you?

A non-binding nomination allows you to nominate who you'd prefer your benefit to be paid to if you die. However, this nomination is not binding on the Trustee.

With a binding death benefit nomination, the Trustee must pay your benefit to your nominated dependants and/or legal personal representative, provided the nomination is valid and in effect at the date of your death.

SECTION 5 NON-BINDING BENEFICIARY NOMINATION

This section is for non-binding beneficiary nominations. If you'd like to make a binding death benefit nomination, you will need to complete the *Binding death benefit nomination* form available at [unisuper.com.au/forms](https://www.unisuper.com.au/forms) and continue to SECTION 6 of this form without completing this SECTION 5.
