

# Fixed insurance cover application form

## About this form

Use this form to convert your existing unitised Death and/or Total and Permanent Disablement (TPD) insurance cover to fixed cover.

This is a **once-only** election during the lifetime of your membership with UniSuper. If you choose to convert your existing unitised insurance cover to fixed cover, you'll be unable to switch back to unitised cover in the future.

Please read the *Insurance in your super* document at [unisuper.com.au/pds](http://unisuper.com.au/pds) to ensure that you understand the benefits and risks associated with fixing your insurance cover.

## Important information

By choosing to convert your existing unitised cover to fixed cover, you're electing to be covered for a specific dollar amount of cover that is equivalent to your current level of unitised cover (rounded up to the nearest \$1,000).

Combinations of unitised and fixed cover are not available. You cannot fix Income Protection cover.

With fixed cover, the amount you're insured for stays the same each year until you reach age 61, or you choose to change your amount of cover. See the *Insurance in your super* document for a table showing the annual fixed cover premium cost for \$1,000 sum insured.

Fixed cover premiums and the level of insured benefits are not fixed and can be expected to change from time to time. Members will be given prior written notice of any changes.

Please note, any fixed TPD cover you hold will decrease by 10% per annum between the ages of 61 and 69 (inclusive), and cease at age 70.

## Are you eligible?

You can apply to convert your existing unitised cover to fixed cover at any time, provided you're under 61 years of age.

TPD cover ceases on your 70th birthday.

Death-only fixed insurance cover ceases on your 75th birthday.
