Download the App on an Apple phone

This documentation is for the download of the App on an Apple phone.

STEP	INSTRUCTIONS
1 You will receive an email inviting you to test the app with TestFlight.	Access the email on your Apple **phone** and click the **View in TestFlight** button. 
2 A web browser will open on your phone and you will be presented with a screen that includes a redemption code for the download.	Click the **TestFlight from the App Store** link and the App Store will open on your phone. (Alternatively, you can go to the App Store and search TestFlight). Follow the prompts (for example, Welcome, Notifications and Terms & Conditions screens) to download the TestFlight app. (You may also be prompted to sign-in to the App Store using your Apple ID.)  

STEP	INSTRUCTIONS
3 Once downloaded, open the TestFlight app and click the **Redeem** button in the top right-hand corner.	When prompted, enter the code displayed in your web browser from step 2 above and click the Redeem button: 
4 A pop-up will display that confirms the code has been redeemed against your email and the app will appear in your list. Click **ok** on the pop-up.	**Note:** The popup will show the email associated with your Apple ID which may be different to the email that you received the initial TestFlight email to. This is normal and expected. 
5 Click 'Install' to download the UniSuper app.	
6 Once installed open the UniSuper app and refer to the *'What do I need to test instructions'* in the link provided in your email.	**Note:** As new builds are released you may get notifications letting you know about them. To test a new version come to the TestFlight app and click to re-download the new version.
