1. About Accumulation 1

We're an award-winning fund with strong long-term performance¹ and low fees². We've been providing great retirement outcomes to our members for over 40 years. We have over 600,000 members and close to \$125 billion in funds under management as at 30 June 2023.

Our Accumulation 1 product is easy to manage and you can keep it throughout your working life. This product is generally open to all employees of our eligible employers. Some members may be eligible to opt into our Defined Benefit Division.

We provide a competitive range of investment options which include pre-mixed diversified and sector specific options.

You may be eligible to elect and/or automatically receive insurance cover. Flexible insurance options are available to protect you and your family.

MYSUPER

We have a MySuper product that can accept default super contributions. Our MySuper offering is our Balanced investment option. Accumulation 1 members with any part of their account invested in our Balanced option automatically become part of MySuper. See our MySuper dashboard at [unisuper.com.au/mysuper](https://www.unisuper.com.au/mysuper).

At [unisuper.com.au/governance](https://www.unisuper.com.au/governance) you'll find information about the Trustee which we're required to disclose to members (such as executive remuneration).

Target Market Determination

You can read about whether the Accumulation 1 product has been designed for someone like you in the Target Market Determination for the product. Download it at [unisuper.com.au/pds](https://www.unisuper.com.au/pds) or call us and we'll send you a copy at no charge.

2. How super works

Super is a way to save for your retirement which is, in part, compulsory. It's a long-term investment.

TAX SAVINGS THROUGH SUPER

Super can be a tax-effective way to save for retirement because of the tax breaks and incentives (favourable tax treatment) provided by the government.

CONTRIBUTIONS

There are different types of contributions available to you such as employer contributions, personal contributions and, if you meet the eligibility criteria, government co-contributions.

There are limits, called contributions caps, on how much you can contribute to your super each financial year and still receive concessional tax treatment. It's your responsibility to monitor the contributions made into your UniSuper account—and to any accounts you may hold in other super funds—if you don't want to exceed the caps. Refer to the 'How super is taxed' section for further information.

ACCESSING YOUR SUPER

There are restrictions on withdrawing your money from super funds. You usually can't access your super until you've reached your preservation age and retired, but there are some special circumstances where you can withdraw it earlier.

CHOOSING A SUPER FUND

Most people can choose which super fund they'd like their Superannuation Guarantee (employer) contributions paid into, but in some cases your super fund may be determined by the terms of your employment. If you change employers, you can nominate UniSuper to receive your employer contributions (provided you're eligible for Choice of Fund). Simply complete the *Super Choice - fund nomination* form, available via your online account or [unisuper.com.au/forms](https://www.unisuper.com.au/forms).

FURTHER INFORMATION

The *How super works* document details the types of contributions you can make (and how to make them), contributions caps, when you can access your super, transfers from other super funds, withdrawals (including death benefit nominations and who can receive your death benefit), and Choice of Fund.

You should read the important information about how super works before making a decision. Go to [unisuper.com.au/pds](https://www.unisuper.com.au/pds) and download the *How super works* document. The material relating to the *How super works* document may change between the time when you read this Statement and the day when you acquire the product.

Changes to super — The government may make changes to super over the course of the year. Check our website for changes. If you think there will be an impact on your super, seek advice from a qualified financial adviser. Contact UniSuper Advice on **1800 823 842**.

3. Benefits of investing with Accumulation 1

When you become an Accumulation 1 member, your super is held in an account in your name. Your account is made up of contributions and any transfers to your account, as well as any investment returns (which could be positive or negative), less fees and costs, insurance premiums (if applicable) and taxes.

Combine super accounts

If you want to transfer any other super to your UniSuper account, log in to your account and use the 'Combine my super' tool. Alternatively, you can complete the *Combine my super (rollover)* form.

Accumulation 1 features and benefits

Helping you prepare for an exceptional retirement is what we do. We're an industry super fund offering low fees and with a history of competitive long-term investment returns.¹

Sustainable investments. We have one of Australia's largest sustainable and environmental branded investment options in super.²

Low fees means more value. No one can control the markets. But you can control what you pay to invest your super. Our fees are among the lowest in the industry.

Strong long-term performance. We have a record of competitive long-term investment performance and returns for a range of investment options that exceed industry benchmarks and averages over the long-term.¹

Investment choice. Choose from a range of investment options, including sustainable and environmental branded options², so you can build an investment strategy that's right for you.

Insurance options to look after you and your family. When you join us, you may be able to take out or automatically receive Death, TPD and/or Income Protection cover without providing health evidence. You can also apply to adjust your level and type of cover or apply for more cover.

Your gateway to retirement. Retiring members can enjoy the flexibility provided by a Flexi Pension or the security of a regular income for life provided by a Lifetime Income account.

Financial advice. UniSuper Advice offers a team of highly-qualified and experienced professionals committed to your financial wellbeing. UniSuper Management advisers offer financial advice on super as well as a broad range of insurance, investment and retirement strategies and products. For more information, visit [unisuper.com.au/advice](https://www.unisuper.com.au/advice) or call **1800 823 842**.

¹ Past performance isn't an indicator of future performance.

² Based on money invested in super products branded as sustainable or environmental options. Read our website to find out what sustainable and environmental investing means to us and what our investment options can invest in. Different products have different approaches.

4. Risks of super

All investments, including super, have some level of risk.

Different investment strategies may carry different levels of risk, depending on the assets that make up the strategy. Those assets with the highest potential return over the longer term (such as equities) may also have the highest risk of falling in value in the shorter term.

Investment risks associated with an Accumulation 1 account include the risk of negative returns from a specific investment, risk of underperformance by an investment manager, market risks, risks associated with poor performance by investments in particular markets or countries, currency risk, credit risk, climate risk, liquidity risk and risks associated with the use of derivatives.

Other risks include operational risk, cyber risk, inflation risk, the risk that events beyond our control may impact UniSuper's administration including our ability to process transactions, and the risk that UniSuper's Trust Deed or fees and costs may change.

There's also a risk we may discontinue a particular investment option or make changes to the investment strategy or objective of an option. We'd give you notification if any investment options were to be discontinued.

When considering your investment in super, it's important to understand that:

- the value of investments will vary and go up and down
- inflation may fluctuate and affect investment returns and the real value of your retirement savings
- the level of investment returns will vary and future returns may differ from past returns
- investment returns aren't guaranteed and you may lose some of your money
- laws and taxes may change in the future
- your future savings (including contributions and returns) may not be enough to provide adequately for your retirement
- the appropriate level of risk for you will depend on a range of factors including your age, your investment time frame, your other investments, and your personal risk tolerance.

The *How super works* document details these and other significant risks of super.

You should read the important information about the risks of super before making a decision. Go to [unisuper.com.au/pds](https://www.unisuper.com.au/pds) and download the *How super works* document. The material relating to the *How super works* document may change between the time when you read this Statement and the day when you acquire the product.

5. How we invest your money

OUR INVESTMENT OPTIONS

As an Accumulation 1 member, you have a range of investment options, including sustainable and environmental branded pre-mixed options, to choose from. You can build an investment strategy that's right for you.

You should consider the likely investment return, risk and your investment time frame when choosing an investment option.

The investment objectives and strategic asset allocations for our investment options may change from time to time. You'll be notified of any materially adverse changes.

Changes to our investment objectives and strategic asset allocations will be published on our website. The investment objective isn't a prediction or promise of any particular return.

DEFAULT INVESTMENT OPTION

If you don't select a future contributions strategy, or if we receive any contributions before we receive your *Changing your default options - Accumulation 1* form, we'll automatically invest any contributions and transfers to your account in our default investment option, Balanced (MySuper).

CHANGING YOUR INVESTMENT OPTIONS

You can switch your existing account balance between investment options or change your future contributions strategy or rollover strategy at any time through your online account, or by completing the *Investment choice* form and sending it to us. This form is available at unisuper.com.au/forms or by calling **1800 331 685**. UniSuper does not charge switching fees.

Our *How we invest your money* document explains when your switch will become effective. Switches that are submitted online are processed more quickly than paper-based switches.

FURTHER INFORMATION

The *How we invest your money* document provides details about each of our investment options, investment switching, how we manage (and may change) your investment options, and information about the extent to which we take environmental, social and governance considerations into account when selecting and retaining our investments. You should read this document before making a decision about your investment options, and speaking with a qualified financial adviser if you'd like help.

You should read the important information about how we invest your money before making a decision. Go to [unisuper.com.au/pds](https://www.unisuper.com.au/pds) and download the *How we invest your money* document. 6. Fees and other costs

Consumer Advisory Warning

DID YOU KNOW?

Small differences in both investment performance and fees and costs can have a substantial impact on your long-term returns.

For example, total annual fees and costs of 2% of your account balance rather than 1% could reduce your final return by up to 20% over a 30-year period (for example, reduce it from \$100,000 to \$80,000).

You should consider whether features such as superior investment performance or the provision of better member services justify higher fees and costs.

You or your employer, as applicable, may be able to negotiate to pay lower fees. Ask the Fund or your financial adviser.*

TO FIND OUT MORE

If you would like to find out more, or see the impact of the fees based on your own circumstances, the **Australian Securities and Investments Commission (ASIC)** Moneysmart website (www.moneysmart.gov.au) has a superannuation calculator to help you check out different fee options.

* This text is required by law to be included in all PDSs. Please note, however, UniSuper's fees are set at a competitive level that is consistent with effective management and are not negotiable by members.

FEES AND COSTS FOR OUR DEFAULT INVESTMENT OPTION - THE BALANCED (MYSUPER) OPTION

Fees and costs can be paid from your account or deducted from investment returns. Fees and costs for the Balanced (MySuper) investment option are shown in the table opposite. This information can be used to compare costs between different super products.

In some cases, other fees and costs may apply. You should read the *Fees and costs* document, including the 'Defined Fees' section, which has definitions of fees under legislation. This document is available at unisuper.com.au/pds or by calling **1800 331 685**. It also provides the fees and costs for our other investment options.

ALTERATIONS TO FEES

Fees are generally reviewed annually and may change without your consent. We reserve the right to introduce a new fee or change any fees. We'll give you 30 days' written notice (except where an increase in fee or charge is attributable to an increase in the Trustee's costs in managing your investments) before a new or increased fee takes effect. Where an increase in fee or charge is attributable to an increase in the Trustee's costs of managing your investments, the Trustee will notify you as soon as possible after the change takes effect, but not more than three months after the event occurs unless the change isn't materially adverse, in which case the Trustee will notify you within 12 months of the change.

FEES AND COSTS SUMMARY

BALANCED (MYSUPER) INVESTMENT OPTION		
<i>Type of fee or cost</i>	<i>Amount</i>	<i>How and when paid</i>
Ongoing annual fees and costs¹		
Administration fees and costs	The lesser of \$96 or 2% of your account balance per year. ¹	No more than \$8 per month is deducted directly from your account. This fee is assessed and applied at the end of each month or, if you close your account, on that date. ¹ If at the end of the month your account balance is less than \$4,800 (including investment returns, where applied) you'll be charged one month's worth of the 2% annual fee.
Investment fees and costs ^{2,4}	Balanced investment option 0.42% ¹ per year	The investment fee accrues daily and is deducted from the Balanced investment option and any other option(s) you're invested in (as relevant). ^{1,3}
Transaction costs ^{2,4,5}	0.09% per year	Transaction costs are incurred over the course of the year and disclosed as a percentage of the average assets of the relevant investment option.
Member activity related fees and costs		
Buy-sell spread	Nil	Not applicable.
Switching fee	Nil	Not applicable.
Other fees and costs ³	Refer to the <i>Fees and costs</i> document.	Where these fees and costs are applied to your account, they are deducted as described in 'Additional explanation of fees and costs' in the <i>Fees and costs</i> document.

¹ If your account balance is less than \$6,000 at the end of UniSuper's income year, certain fees and costs charged to you in relation to administration and investment are capped at 3% of the account balance. Any amount charged in excess of that cap must be refunded.

² The investment fees and costs and transaction costs shown above are indicative only and are based on the investment fees and costs and transaction costs for the year ended 30 June 2023, including several components which are estimates. The actual amount you'll be charged in subsequent financial years will depend on the actual fees and costs incurred by the Trustee in managing the investment option. Investment fees and costs includes an amount of 0.03% for performance fees. The calculation basis for this amount is set out under 'Additional explanation of fees and costs' in the *Fees and costs* document at unisuper.com.au/pds.

³ Refer to 'Additional explanation of fees and costs' in the *Fees and costs* document at unisuper.com.au/pds.

⁴ The investment fees and costs and transaction costs for other investment options are set out in the *Fees and costs* document. They are calculated on the same basis, and paid at the same frequency and in the same manner as for the Balanced investment option.

⁵ For the financial year ended 30 June 2024, the investment fees and costs for this option are expected to increase by 0.07%.

EXAMPLE OF ANNUAL FEES AND COSTS

This table gives an example of how the ongoing annual fees and costs for the Balanced (MySuper) investment option can affect your superannuation investment over a one-year period. You should use this table to compare this superannuation product with other superannuation products.¹

EXAMPLE - BALANCED (MYSUPER) INVESTMENT OPTION		BALANCE OF \$50,000 ²
Administration fees and costs	The lesser of \$96 or 2% of your account balance per year.	For every \$50,000 you have in the superannuation product, you will be charged or have deducted from your investment \$0 in administration fees and costs, plus \$96 regardless of your balance
PLUS Investment fees and costs	0.42% ^{3,4}	And , you will be charged or have deducted from your investment \$210 in investment fees and costs
PLUS Transaction costs	0.09% ^{3,4,5}	And , you will be charged or have deducted from your investment \$45 in transaction costs
EQUALS Cost of product		If your balance was \$50,000, at the beginning of the year, then for that year you will be charged fees and costs of \$351 for the superannuation product.

¹ Additional fees may apply. If your account is invested in investment options other than the Balanced investment option, the investment fees and costs and transaction costs will be different to those displayed. Refer to 'Additional explanation of fees and costs' in the *Fees and costs* document at unisuper.com.au/pds.

² The calculated amounts do not include contributions that may be made during the year.

³ The investment fees and costs and transaction costs shown above are indicative only and are based on the investment fees and costs and transaction costs for the year ended 30 June 2023, including several components which are estimates. The actual amount you'll be charged in subsequent financial years will depend on the actual fees and costs incurred by the Trustee in managing the investment option. Investment fees and costs includes an amount of 0.03% for performance fees. The calculation basis for this amount is set out in the *Fees and costs* document at unisuper.com.au/pds.

⁵ For the financial year ended 30 June 2024, the investment fees and costs for this option are expected to increase by 0.07%.

Future updates

If changes (that aren't materially adverse) are made to fees and costs, updated information will be available at unisuper.com.au or by calling **1800 331 685**. You can request a paper copy of updated information without charge.

You should read the important information about fees and costs before making a decision. Go to unisuper.com.au/pds. The material relating to the *Fees and costs* document may change between the time when you read this Statement and the day when you acquire the product.

7. How super is taxed

TAX ON CONTRIBUTIONS

This overview assumes that you've provided your tax file number (TFN).

CONTRIBUTION TYPES	HOW MUCH TAX IS PAID	HOW THE TAX IS PAID
<p>Concessional (before-tax) contributions include Superannuation Guarantee, salary sacrifice contributions made by your employer from your before-tax salary, and personal contributions where you provide us with a valid form that states your intention to claim a tax deduction.</p>	<p>15% on contributions up to the concessional contributions cap.*</p>	<p>The tax is deducted from your super account.</p>
	<p>Contributions which exceed your concessional contributions cap are included in your assessable income and taxed at your marginal tax rate. You'll also be entitled to a 15% tax offset on the excess concessional contributions (because you've already paid tax on this money). The offset is not refundable. You can release up to 85% of your excess concessional contributions from your accumulation super account. Any excess concessional contributions not released from super are counted towards your non-concessional (after-tax) contributions cap. Any excess concessional contributions you release from your super account no longer count toward your non-concessional contributions cap.</p>	<p>The ATO will provide you with an assessment. The tax is paid 'out of your pocket' to the ATO. If you choose to release some of your excess contributions, we'll pay this to the ATO, who will offset it against any outstanding tax or other government debts you have before refunding any remaining balance.</p>
<p>Non-concessional (after-tax) contributions are made from your take-home pay. Contributions your spouse makes on your behalf are treated in the same way as non-concessional contributions, provided your spouse doesn't claim the contribution as a tax-deductible employer contribution and provided you're not living separately from your spouse.</p>	<p>Non-concessional contributions aren't subject to tax on amounts up to the non-concessional contributions cap.</p>	<p>Not applicable.</p>
	<p>If you exceed your non-concessional contributions cap, the excess of super plus 85% of earnings may be released from your super. The earnings are taxed at your marginal tax rate (with a 15% tax offset).</p>	<p>The ATO will provide you with an assessment. The tax on associated earnings is paid 'out of your pocket' to the ATO.</p>
	<p>If you choose not to release your non-concessional contributions, they'll remain in your super account and the excess will be taxed at 47%.</p>	<p>The ATO will provide you with an assessment. The excess contributions tax is paid out of your super account.</p>

* If you earn more than \$250,000 in an income year, 'Division 293 tax' will apply to your concessional-taxed contributions. For more details refer to the *How super works* document.

CAPS ON CONTRIBUTIONS

The government imposes caps on the total amount of super contributions you can make in each financial year and still receive concessional tax treatment. The caps apply to all contributions made by you or on your behalf in a financial year, regardless of how many employers or super accounts you have. It's your responsibility to monitor the contributions made to your UniSuper account, and to any other super accounts you may hold, if you don't want to exceed the contributions caps.

If you exceed these caps, you may pay a much higher tax rate on any contributions that exceed the caps.

SPOUSE CONTRIBUTIONS TAX OFFSET

Your spouse can contribute to your UniSuper account on your behalf, and may be eligible to receive an 18% tax offset on spouse contributions of up to \$3,000. Refer to the *How super works* document for details or check our website to find out more.

TAX ON TRANSFERS

No tax is payable if you transfer your super from one fund to another, unless the amount contains an untaxed element, e.g. from a public-sector super fund. Any untaxed element transferred to your UniSuper account is taxed at 15% upon receipt. UniSuper may disclose your TFN to the other fund as part of this process.

TAX ON INVESTMENT EARNINGS

Investment earnings are generally taxed at up to 15%. In some cases, this rate may be lower because of any tax deductions or credits

UniSuper may qualify for. This tax is deducted from the Fund's investment earnings before they're allocated to your account.

TAX ON WITHDRAWALS

You may have to pay tax when you withdraw your super from the Fund. We'll normally deduct any tax before paying your benefit. The amount of tax you pay will depend on your circumstances, such as your age and how your benefit is paid to you. If you're age 60 or older, your benefit payment will generally be tax free. However, tax may be payable on your benefit if you're under age 60. Regardless of your age, tax may be payable on a benefit if it's paid in some circumstances, e.g. if you die and a death benefit is paid to a non-dependant for tax purposes.

PROVIDE YOUR TAX FILE NUMBER

Your TFN is the unique, confidential number which links all your investments, super and tax records to your identity.

While it's not compulsory to give us your TFN, if you don't, any contributions or transfers that would attract tax (such as employer contributions or salary sacrifice contributions) may be taxed at the highest marginal tax rate.

Please read the important information about providing your TFN at unisuper.com.au/tfn. You can also request a copy by calling **1800 331 685**. You can provide your TFN within the 'Personal details' section of your online account.

You should read the important information about how your super is taxed before making a decision. Go to unisuper.com.au/pds and download the *How super works* document. The material relating to the *How super works* document may change between the time when you read this Statement and the day when you acquire the product.

8. Insurance in your super

We offer three types of insurance cover, with the premiums paid from your super account:

- **Death cover** (including terminal illness)—can provide a lump sum benefit to your dependants and/or your legal personal representative if you die, or can provide you with a lump sum benefit if you're diagnosed with a terminal illness. Death cover ceases at age 75.
- **Total & Permanent Disablement (TPD) cover**—can provide you with a lump sum benefit if you're permanently unable to work due to your illness or injury. TPD cover ceases at age 70.
- **Income Protection cover**—can provide regular monthly payments if you're temporarily unable to work due to your illness or injury. Income Protection cover ceases at age 65.

Insurance cover is provided to UniSuper members through group insurance policies the Trustee takes out with our Insurer. Our current insurer is TAL Life Limited, ABN 70 050 109 450, AFSL No. 237848.

INSURANCE YOU MAY GET WITHOUT PROVIDING HEALTH EVIDENCE

Death and/or TPD cover

If eligible, you can elect to receive up to **three units of Death and/or TPD** when you join the Fund without providing health evidence to our Insurer by completing the *Changing your default options - Accumulation 1* form available at unisuper.com.au/forms. You must apply within 180 days of the date you're first eligible to join UniSuper.

Alternatively, once you're age 25 or over and have an account balance of at least \$6,000, you'll receive **one unit of default Death and TPD cover** when we receive your next employer contribution.

You can also elect to receive **one or two units of additional Death and/or TPD cover**, within 180 days of your default cover automatically commencing, without providing health evidence to our Insurer.

One unit of Death and TPD cover costs \$2.41 per week. **If you don't cancel or opt-out of receiving default cover, premiums will be deducted from your account.** You can also expect insurance premiums to change over time.

The benefit amount you receive from each unit of cover you're eligible for depends on your age. For example, one unit of Death cover ranges between \$232,000 (if you're aged between 14 and 34) and \$2,500 (if you're aged 74).

You can convert your unitised cover to fixed cover by completing the *Changing your default options - Accumulation 1* form available at unisuper.com.au/forms.

If you die, suffer from a terminal illness or you become totally and permanently unable to work due to your illness or injury, your benefit will be your account balance plus any applicable insurance proceeds. Refer to the *Insurance in your super* document for details of when insurance is payable and the requirements you'd need to satisfy to be paid an insurance benefit.

Income Protection cover

If you satisfy the eligibility criteria and apply within 180 days of being first eligible to join UniSuper, you can elect to receive Income Protection cover of up to **23 units (equivalent to \$9,967 per month)**, without providing health evidence to our Insurer. The default benefit period is two years with a waiting period of 90 days. Simply complete the appropriate section of the *Changing your default options - Accumulation 1* form available at unisuper.com.au/forms.

Not all occupations are covered. Refer to the *Insurance in your super* document available at unisuper.com.au/pds for further information on excluded occupations.

If you're not in 'active employment' on the date your default, additional default or Income Protection cover commences, a pre-existing condition exclusion will apply to your TPD and Income Protection cover. Read the *Insurance in your super* document available at [unisuper.com.au/pds](https://www.unisuper.com.au/pds) before deciding whether the insurance is appropriate.

DON'T WANT TO RECEIVE INSURANCE AUTOMATICALLY?

You can opt out of automatically receiving default cover by completing the *Changing your default options - Accumulation 1* form available at [unisuper.com.au/forms](https://www.unisuper.com.au/forms). However, if you want cover later, you'll have to apply and provide health evidence that satisfies our Insurer and your application may not be accepted.

It's important to regularly review your insurance cover to ensure it meets your needs—the *Insurance calculator* available on our website is a great place to start.

CHANGING YOUR COVER

If you receive cover, you can choose to cancel, reduce or modify the terms of your cover. You can do this within your online account, or by completing the *Changing your insurance cover* form available at [unisuper.com.au/forms](https://www.unisuper.com.au/forms).

APPLYING FOR INSURANCE

Transferring cover from another provider

If you have cover with another super fund or other provider and you're less than age 61, you may be able to transfer this cover to us provided you meet the eligibility criteria.

You can apply to transfer your cover by logging in to your account or by completing the *Transfer of insurance cover* form, available at [unisuper.com.au/forms](https://www.unisuper.com.au/forms).

Additional cover - applying for cover that requires health evidence

You can apply to:

- increase the level of cover you have, or
- take out Death and/or TPD cover if you don't meet the eligibility criteria for default cover or wish to take up cover if you opted out when you first joined, or
- take out or increase your level of Income Protection cover or modify the waiting or benefit periods.

You can apply within the 'Insurance' section of your online account or by completing an insurance application form available at [unisuper.com.au/forms](https://www.unisuper.com.au/forms). Alternatively, if you'd like to complete your application over the phone, we can arrange for a consultant to call you.

Our Insurer may decline your application, accept your application without conditions, or accept your application with conditions such as restrictions, exclusions or with an increased insurance premium.

You should read the important information about insurance in your super before making a decision. Go to [unisuper.com.au/pds](https://www.unisuper.com.au/pds) and download the *Insurance in your super* document. It contains important information about:

- your eligibility for insurance cover
- how to change your insurance cover, including cancellation
- other conditions and exclusions
- the level and type of non-default insurance available, as well as its cost; and
- other significant information.

The material relating to the *Insurance in your super* document may change between the time when you read this PDS and the day when you acquire the product. You may like to speak to a qualified financial adviser if you'd like help.

9. How to open an account

Your employer is able to open an account on your behalf, so there's no need to complete an application form.

Learn more about your Accumulation 1 membership:

- Read this PDS and the important information referred to.
- If you'd like to make changes to the default options your account is automatically set up with when you first become a member, log in to your account, or complete the *Changing your default options – Accumulation 1* form available at unisuper.com.au/forms. You can choose your investment option(s), elect to receive, or opt out of receiving default cover, and nominate non-binding beneficiaries.
- We may also open an account when we need to accept other monies on your behalf and in this situation a cooling off period may apply. Refer to *How super works* for more information.

Your contributions and rollovers will be invested in the default Balanced (MySuper) investment option if you don't select a future contributions strategy. If you're eligible, you may also receive default insurance cover.

You can start making regular and/or one-off payments (including rollovers) into your account once it's opened.

COMBINE SUPER ACCOUNTS

If you want to transfer any other super to your UniSuper account, log in to your account and use the 'Combine my super' tool. Alternatively, you can complete the *Combine my super (rollover)* form.

NOMINATE BINDING BENEFICIARIES

If you want to make a binding death benefit nomination, complete the *Binding death benefit nomination* form.

You can find our forms at unisuper.com.au/forms.

IF YOU HAVE AN ENQUIRY OR COMPLAINT

We hope you don't have any complaints about your super, but if you do, please call **1800 331 685** or visit unisuper.com.au/complaints. You can also write to us at: Complaints Officer, UniSuper, Level 1, 385 Bourke St, Melbourne VIC 3000.

If you're unhappy with our formal response, you haven't received a response within 45 days (or 30 days for financial advice complaints or 90 days for complaints relating to objections to death benefit distributions) or you'd prefer to speak to someone else, you can complain to the Australian Financial Complaints Authority (AFCA). AFCA provides a fair and independent complaint resolution service at no additional cost.

You can lodge a complaint with AFCA by:

Phone: 1800 931 678

Email: info@afca.org.au

Mail: Australian Financial Complaints Authority Limited, GPO Box 3, Melbourne VIC 3001

Time limits may apply to complain to AFCA so you should act promptly or otherwise consult the AFCA website to find out if or when the time limit relevant to your circumstances expires.

Visit www.afca.org.au for more information about AFCA and their complaint resolution approach.
