

Life Events/Salary Increase cover

What this fact sheet covers

This fact sheet provides information about Life Events insurance cover and Salary Increase cover available through our Insurer TAL Life Limited.

You can apply for this cover without the need for full underwriting using the *Life Events insurance cover and Salary Increase cover application form* at the back of this fact sheet.

Who is this fact sheet for?

UniSuper members who already have Death and Total & Permanent Disablement (TPD), Death-only, TPD-only, or Income Protection cover through UniSuper, and who:

- have recently or will shortly experience an eligible life event (as described below), and
- want to top up their existing insurance cover to coincide with this event, or
- want to increase their Income Protection cover in line with a salary increase.

Salary Increase cover

You can apply for a one unit increase to your Income Protection (IP) cover if you receive a salary increase.

Life Events cover

Life Events insurance cover provides you with the option of topping up the level of your existing Death and Total & Permanent Disablement (TPD) or Death-only or TPD-only cover to coincide with some of life's bigger milestones.

WHO PROVIDES LIFE EVENTS AND SALARY INCREASE COVER?

This cover is provided to UniSuper members by TAL Life Limited ABN 70 050 109 450, AFSL No 237848.

When can you apply for cover?

- not be subject to special conditions such as premium loadings, restrictions or exclusions other than, a pre-existing condition (PEC), and
- not have previously been declined cover under UniSuper's policies with the Insurer.

SALARY INCREASE COVER

- have IP cover at the time of applying for Salary Increase cover.

Salary Increase cover cannot be provided if the application form is received after the insured member's total disability.

How does it work?

If your application for Life Events cover or Salary Increase cover is successful, the additional cover will be added to your existing insurance cover.

The new level of cover will take effect from the date your application is accepted. If you make a claim within the first six months of holding Life Events cover or Salary Increase cover, you will only receive a benefit for the increased amount if the claim is as a result of an accident (which means accidental injury causing death, TPD or total disablement through a visible, violent, external event to the body).

How much cover can I get?

LIFE EVENTS COVER

If your application for Life Events cover is accepted (up to the maximum cover limit) and you hold fixed cover, your Life Events cover will increase by the lesser of:

- 25% of your current amount of fixed cover, or
- an additional \$200,000 of fixed cover.

If you have unitised cover, your cover will increase by one unit of Death-only, one unit of Death and TPD or one unit of TPD-only cover.

To find out if you have unitised or fixed cover log in to MemberOnline and go to the 'Insurance' tab, or call us on **1800 331 685**.

SALARY INCREASE COVER

If your Salary Increase cover is accepted you will receive one additional unit of Income Protection (IP) cover, outside of any six-monthly IP cover automatic update (Accumulation 2 members only). To find out more about the IP automatic update please refer to the *Insurance in your super* booklet, available on our website.

The maximum cover is 69 units.

Can I apply more than once?

You can increase your Life Events cover (if eligible) no more than once for each instance of a Life Event. For example, you can apply for Life Events cover when your first child starts tertiary education and apply once more when your second child starts tertiary education. You can increase your Life Events cover once in any 12-month period.

You can increase your IP cover (if eligible) using the Salary Increase option no more than once in any 12-month period.

How do I apply?

To be eligible for an increase to your existing cover, the Insurer must receive your application form within 90 days of either the Life Event or Salary Increase occurring. Your guide to proof of identity

We take looking after your retirement savings very seriously—which is why you need to prove your identity (ID) before making withdrawals or other important changes to your account.

You can prove your ID in two ways:

- do it yourself via MemberOnline, or
- send us certified copies of your ID.

Verify your identity online

Proving your identity online is quick and easy—you'll know as soon as your identity gets verified. Log in at unisuper.com.au/memberonline to get started. Only Australian residents with Australian documents currently living in Australia can verify their identity through MemberOnline.

You'll need to provide the details of two to four of the following current and valid government-issued IDs:

- Australian passport
- Australian visa
- Australian driver licence
- Medicare card.

The documents you use must contain your date of birth, given name(s), surname and residential address. Make sure you've updated your current personal details with relevant government agencies before you begin the process of verifying your identity online. We use online government and public databases to securely and confidentially verify your identity.

Send us certified copies of your ID

You can also send us certified copies of your ID. The following guide explains the types of documents we can accept and how to ensure they're correctly certified.

ALLOW US TO VERIFY YOUR IDENTITY

In some cases and on some of our forms, we can verify your identity on your behalf if the document(s) you provide haven't been certified correctly or can't be read. All you need to do is give us consent by ticking the box on the applicable form—and we'll try to verify your identity electronically using those documents. We'll let you know if the process wasn't successful.

Why provide your TFN?

Giving us your tax file number (TFN) means we can process rollover and transfer requests to another super fund without additional proof of identity. If your TFN can't be validated, or you want to transfer to a self-managed super fund or organise a benefit payment, you'll still need to give us certified copies of your ID.

Visit unisuper.com.au/memberonline to provide your TFN online.

STEP 1: COLLECT ACCEPTABLE DOCUMENTS

We'll accept either one document from List A or two documents from List B.

LIST A

A CERTIFIED COPY OF A:

- current driver licence

STEP 2: CERTIFY YOUR DOCUMENTS

Take your original document(s) and a clear photocopy of both sides of the original document to an authorised person.

Your ID must be properly certified

The authorised person will need to:

1. sight the original document, and the copy, to ensure both documents are identical, and
2. write or stamp 'this is a true and correct copy of the original document I have sighted' or 'certified true copy', followed by their:
 - signature
 - printed name
 - qualification (e.g. Magistrate), and
 - date.

If you've changed your name or are signing on behalf of another member, prove the 'link' between you and the name change, or other person—use a certified copy of one of the following documents as well as your other certified ID.
